MEMORANDUM FOR THE RECORD

SUBJECT: Briefing for HPSCI Staff Members on Unhealthful
Post Provision in SSCI Version of Intelligence
Authorization Bill

STAT 1. On 17 September 1985, [redacted] Deputy Director
for Employee Benefits and Services, Office of Personnel,
briefed HPSCI Staff Members on the Unhealthful Post
Provision in the SSCI Version of the Intelligence
Authorization Bill. The following staffers attended:

Duane Andrews
Bernie Raimo
Dave Addington
Dick Giza
Mike O'Neal
Steve Berry

STAT 2. In anticipation of going to conference on the
Authorization Bill, the Staffers wanted to know the need for
and cost of the provision. There is no equivalent provision
in the House bill. [redacted] explained that CIA's interest

[redacted]
employees at unhealthful posts. CIA's estimate of the cost
and the number of employees who would opt for the provision
were provided.

STAT 3. All questions were answered ably and there were no
other requirements levied.
